

How to Locate a Security Classification Guide (SCG) on the Defense Technical Information Center (DTIC) Website

For access to unclassified SCGs, see below instructions. If the SCG is classified, contact Jason S. Pierce at jason.s.pierce@navy.mil.

1. Go to <http://www.dtic.mil>
2. Common Access Card (CAC) users or those who already have an approved account, proceed to Step 3. For those who do not have an account, click-on the **"Registration"** tab in the top menu (see Figure 1 below). Next, select either **"Contractor Employee"** or **"Government Employee"** and follow the step-by-step registration instructions (see Figure 1A below). Once you have registered, you will receive an email notification of your registration status. DTIC will then send a second follow-up email notice, once your registration has been approved.
